

Where I'll Be, Where I am, How I'll Go

Name _____

Date _____

Where I'll Be

| | |
|----------------------------|----------------------------------------------------------------------------------------------------|
| Post-DCI Goal | Go to Maryland University, earn a scholarship. Start a business. |
| What It Takes Academically | I need to get a GPA higher than a 3.0. Take computer programming classes, and work harder in math. |
| What it Takes Personally | I need to work hard, change my mindset, have a clear vision. |

Where I Am

| | |
|-----------------------------|---------------------------------------------|
| My MAP Percentile English | 94%__last year: 75% |
| My MAP Percentile Math | 92%__last year: 97% |
| My Average Grade | 5.75 |
| What I Do Outside of School | I procrastinate and do my work last minute. |

This Summer

| | |
|-------------|-----------------------------------------------------------------------------------------------------------------------------------------------------|
| | Math Summer Work: Ten Marks. |
| | English Summer Work: Reading. Writing an essay. |
| | Other: |
| Next Year | I'm going to delete my instagram and social media accounts, delete netflix, so that I can focus on school. I'm going to get a GPA of 3.0 or higher. |
| Rest of DCI | I'm going to get a GPA of 3.0 or higher. |

What Adults Should Know

| |
|-----------------------------------------------------------------------------------|
| I need a big, and silent, place to work. Adding on, I can't be distracted at all. |
|-----------------------------------------------------------------------------------|
