

District of Columbia International School

Partners in Learning

When:

Every Monday for Term 3, during lunch for 6th grade students and during ATL and lunch for 8th grade students.

Where:

Room 105- Chinese classroom.

What:

Our mission is to promote a positive school community, both academic and cultural, at DCI through building strong relationships between 8th and 6th graders.

Goals of Our Program:

1. Increase academic achievement for 6th graders
2. Improved feelings of competence and confidence for all participants
3. Increase 6th grade students' positive interactions with 8th grade students
4. Generate school wide community building activities

Topics Covered

1. Self-Management
